ANTIGUA TENNIS WEEK | MAY 5-12 2018

ULTIMATE TENNIS VACATION

An established favorite on the international tennis calendar. Antigua Tennis Week is hosted by the three of the biggest names in the game. Part pro-am tennis event and part party, it mixes match play, instructional clinics, social events and relaxation at the resort ranked among the four best hotels in the Caribbean by readers of Condé-Nast Traveler. Tennis enthusiasts of all levels are welcome.

It all started back in 1975 when Curtain Bluff celebrated its world-class Tennis Center with an island-wide professional tournament. Today Antigua Tennis Week is a landmark event, attracting enthusiasts from all over the world.

They come partly for the court action—six days of match play, tournaments and stroke-and-strategy clinics (tailored to all aptitudes from beginner to pro). They come to socialize with fellow enthusiasts and some of the biggest names in the game at parties, beachside lunches and candle-lit dinners. And they come to enjoy the welcoming atmosphere, fine dining and facilities that have earned Curtain Bluff the reputation as one of the finest resorts in the world.

The center of the action is Curtain Bluff’s Tennis Center, a grouping of four championship hard courts, shaded by palm trees and just an easy lob shot from the ocean. In addition to our three guest hosts and the tournament organizer, we have three on-site tennis pros overseeing the event.

But extraordinary tennis is only part of Curtain Bluff’s extraordinary allure. Its other activities include swimming/snorkelling off our two beautiful white-sand beaches, diving, catching the breeze on a Hobie Cat or Windsurfer, paddle boarding or water-skiing on our protected bay. You can play squash in our glass-back court, play half-court basketball and swim in our pool. Or you can simply relax, swinging on a beach hammock to the sound of the waves or enjoy a soothing treatment at our award-winning spa.

Attractive Rates

Curtain Bluff’s “everything-included” pricing* means that everything from the food and drinks to scuba diving and water-skiing are included in the rate (only a few extras- such as spa services and vintage wines). It’s what gives the resort its relaxed famously friendly, club-like atmosphere and makes it one of the best values in the Caribbean.
