Rooms on the Bluff

Two Bedroom Bluff Suite

Overlooking our surf beach from their perch atop the bluff are our five one- and two-bedroom bluff suites. These light and airy rooms are split across three spacious levels outfitted with natural wood and sea-grass furniture. The three-walled living room offers the best of indoor-outdoor living, opening onto a garden patio with relaxing hammock where you'll enjoy dozing off to the sound of the waves. Upstairs, you'll find a breakfast nook and dining terrace, beyond which is the bedroom with ensuite bath and adjoining oceanfront patio.
