

## The Sir Howard Hulford Library Collection

Sir Howard Hulford OBE, took a personal fascination with wine and over a lifetime built a global network of friends throughout the wine world, enabling him to create a world class wine list at Curtain Bluff.

The Caribbean's foremost cellar of wine was created through personal love for the subject, and was reflected in an incredible selection of wines from all over the world, with a particular focus on the classic regions of Bordeaux and Burgundy. At a time when wine could affordably be purchased and laid down, not only did he create an outstanding wine list for the customers that visited, he put in place a legacy that remains the backbone of the wine list today.
