

CURTAIN BLUFF

ANTIGUA, WEST INDIES

Unforgettable WEDDINGS

At Curtain Bluff your special day is our special day. And we're not just saying that. We only host a handful of weddings each year and we pull out all the stops, providing above-and-beyond elements such as sunset ceremonies on the beach or on a sweeping balcony over looking above the sea and romantic dinners on the sand.

Our wedding coordinator, Wendy Eardley, is ready to help you customize the details and coordinate the event from pre-ceremony bridal party treatments at our award-winning spa to the flowers, photographer/videographer and music at your reception party.

And that expertise and experience leaves you free to relax and enjoy your big day and begin your honeymoon surrounded by your closest family and friends.

Memorable HONEYMOON

Picture the perfect honeymoon and you will understand why so many happy couples have chosen Curtain Bluff as the place to start their new life.

Sure, it's partly the beauty of the property, our two beaches, the delicious cuisine and the comfortable rooms, all overlooking the sea. There is the allure of our secluded and oh-so tranquil spa just feet from the water, our world-class tennis center and full range of water sports. And everybody loves our "everything-included" value (see rate card for details).

But there is something else, a hard to pin down mix of warmth and wonder, of intimacy and conviviality, of activities and stillness that sets exactly the right tone for the journey ahead.
